The Honors Band Committee recommends the adoption of the new Middle School Percussion (Snare, Mallets, and Timpani) Solos as shared previously via email for the 2021-22 school year.

We plan to have new solos in place for High School Percussion as well as the second set of MS solos in time for the 2022-23 school year.

Jeff Warner is currently working on the 11/12 Winds Solos for 2022-23 and we will once again share them with you for edits in the coming months. Thanks to all of you who took time to play through and examine the first set of solos to limit problems in the future.

No member comments.

Vote passed by majority – none opposed.

Concert Band MPA Committee: Jim Kirkpatrick

MPA Rule 3c. is suspended for 2021-22. Directors may choose to have students perform on their primary instrument in multiple bands from the same school in order to alleviate instrumentation issues that may arise due to the impact of COVID.

A sub-committee has been formed to explore the diversification of the MPA repertoire list and also to investigate current repertoire on the MPA list that potentially promotes cultural and/or racial bias.

MPA additions will only be accepted via the NCBA website. The Google form for submissions is linked on the website. The deadline for Fall 2021 additions is November 1. The deadline for Spring 2022 deletions, grade level changes and additions is April 23.

Marching Committee: Matt Leinart
